

Jr Fair Hog Show - Ridenour Livestock Show Arena
Wednesday August 13, 2025 - Showmanship 9am followed by Market Classes
Sam Evans - Superintendent, Paul Will, Chris Lambert, Ron Hensley, Dave Watson

The Market Hog Project consists of raising pigs to a minimum market weight of 220 pounds. As a member of the livestock industry, exhibitors learn proper care and standards of the industry. As well as complete a DUNF form, quality assurance certification, project book judging, and any other requirements by the Meigs County Agricultural Society & Ohio Department of Agricultural. A grand and reserve champion market hog along with grand/reserve showman will be selected among the exhibitors. Market hogs will sell on Saturday, the livestock auction will begin at 10am.
