

.Jr Fair Showmanship and Market Sheep Show
Monday, August 11, 2025 @ 7pm - Ridenour Livestock Arena
Superintendent: Buddy Ervin
Sam Evans, Joe Dillon, Chris Lambert

The Market Lamb project consists of feeding lambs to a market weight minimum of 90 pounds. As a member of the livestock industry, exhibitors learn proper care and standards of the industry and complete a quality assurance certification. A Grand and Reserve Champion Market Lamb will be chosen from among the exhibitors along with a Grand & Reserve Champion Showman. Market Lambs sell on Saturday.

*All sheep need to be on the grounds between 7pm - 8pm, Saturday prior to fair start. All animals MUST be vet checked before being unloaded. Breeding sheep may be removed from the grounds on Friday from 10am - Noon. If not removed during this time then animals must wait until all market animals are released after the sale on Saturday. Every animal leaving the grounds MUST be accompanied with a pink haul slip that will be disbursed at the Jr Fair Office prior to removal from the grounds.
